Freshwater Swamp Ecosystem

Gopher Tortoise

Mockingbird

Florida Manatee

American Alligator

Native Vegetative Ecosystems and Wildlife

Children's Entrance Model - Grasses

Story Room Model – Screened Porch

Materials Palette for Client's Review

COLLABORATIVE PROCESS

Throughout the extent of the design phase, RAMSA and the Jacksonville Library Staff reviewed overall planning down to the smallest details of the Interior Design of the Children's Department to ensure that the whole team had input and decision-making responsibility for the final design.

Children's Department Staff Desk

Children's "Through the Grasses" Entrance

Alligator Sofa in Toddler Story and Play Area

Tortoise Chair

Swamp Boat Reading Nook

Manatee Bench

“Screened Porch” Children’s Theater

Interior and Exterior of “Underwater” Activity Room

The Teen Library
