Two milk, one dress, a pillow and three books – “shopping”
in the library and a library in a shopping centre.

Very Important Parents

The 10 commandments

- In Denmark we have a report with recommendations for library service for children in the future. In Hjoerring we had a special focus on:
 - 2. Recommendation: The library space must inspire surprise and inspiration
 - 4. Recommendation: Children play – in the library
 - 8. Recommendation: The library supports learning and cultural formation
