Future plan and conclusion

1. To invite representatives from non current members Ministries to attend workshop for introduction legal information of ASEAN member countries in “asean-law.senate.go.th” website.
2. host for co-operating, developing and update legal information and supporting to collect legal information of Thailand and of ASEAN member countries
3. the database team always update information and linked URL as usual and monitor a new legal information of other ASEAN member countries, but we still have the problems about unstable of URL links that we referred.
4. Repackaging hot issue legal information for public from text to infographic for easy to understand
5. Our database team hope to get kindly support from major agencies from ASEAN member countries in term of Legislative cooperation.

Enjoy 😊 Searching ...
